1. ADC/OTE				John, Review of the <u>Introduction to ADP</u> course was completed in 3rd quarter. The topic should be on the agenda for the Curriculum Committee meeting next week (16 October). Attached is some background material for the committee members. The bottom line is that we would like approval from the Committee to offer the course in a self-study rather than classroom mode starting immediately. The videotapes are already in the Learning Center. A CBT version should be ready by 1 January 1986. The material is available commercially, and we are in the process of ordering it now. The two PC's to deliver the CBT should also be in by 1 January 1986.
